October 2016

Henderson ABA basketball is preparing for its 28<sup>th</sup> season of providing a youth basketball league for Henderson boys and girls. We depend on volunteers and sponsors to make our program affordable to all the children of Henderson County. Sponsorships help us cover costs to operate a league that the application fees alone do not cover. Team sponsorship is \$200.00 per team.

Team sponsors are given the opportunity to pick the age group, boys or girls, team name when available (ex: bulls, heat, cavs, celtics, lakers, etc.) and pick a child to be on the team. The business name will appear on the back of the team jersey and will be listed with the weekly scores in the Gleaner. At the end of the season, a plaque will be given to the sponsor.

Last year we had over 650 Henderson County boys and girls participating in Henderson ABA. Our leagues are open to all Henderson County children ages 6 (age as of 8-1-16) up to age 17 or a senior in high school.

Please help us by sponsoring an ABA team. Complete the selection form and return by November 11, 2016. Please return as soon as possible. Call Mary Ann at 270-823-2010 if you have any questions.

Thank you.

Sincerely,

Harley Heath
